How Tuatara Use Energy from the Sun

Use the Schoolgen student fact sheet called **How Tuatara Use Energy from the Sun** (<http://www.schoolgen.co.nz/se/tuatara.aspx>) to help you to answer these inquiry questions.

● Inquiry 1

What ways do Tuatara and other cold-blooded animals use the sun's energy differently to warm-blooded animals?

Student Inquiry
Levels 1-2

🕒 **Inquiry 2**

If Tuatara get too cold or too hot, what do they do to change their body temperature?

🕒 **Inquiry 3**

What difference does sunlight make to the way Tuatara grow?
